Chairman's report May 2019.

This is the end of my first year as chairman stepping up from Grants Chair.

We have seen many changes to the Sports Council over the last year.

We have changed the grants forms again to accommodate club, event, equipment and development under the one umbrella to try and get nearer the targets set by Perth and Kinross Council.

We have also sent out flyers to all affiliated clubs and individuals trying to help them understand the grant applications.

Clubs now must meet the Paces criteria to qualify as well as being affiliated

And recognised by Sport Scotland. I feel this is a positive step for all concerned.

The following reports are matters related to the work of the Sports Council.

This includes the treasurers report and the Grants Sub Committee report

Handled very adequately by Bruce Gibb vice-chair of grants as Billy Folan

Has been unwell and we wish him a speedy recovery.

We have hauled our website into this century at last. We employed Gary Beck

Who worked with Annemarie and me to get it up and running, with a little help from Caroline Ness. We think it's not too bad, most people can get in to it now. We have had a lot of positive feedback about the website.

A very special thanks to Annemarie Harkness who works tirelessly on our behalf and without whom I would not be able to operate.

I would also like to thank Laura Munro from LAL, Phil Coleman our monitoring officer and Scott Walker our treasurer for their help and support.

A massive thanks to Perth and Kinross Council for their annual grant and LAL for supplying our administrator and a big thank you to Perthshire Rugby Club

For the free use of the Tay View Room for our meetings.

Finally, I wish all the people involved in Sport in Perth and Kinross all the best for the coming year.

David Taylor

Chairman.

Perth and Kinross Sports Council.

**Jim Masson, Press Officer for Perth and Kinross Sports Council. Jim has been involved in sport all his life and, for the last 40 years, has covered sport in Perth and Kinross on a daily basis for the Evening Telegraph.**

## **Perth and Kinross Sports Council Grants Sub Committee**

**William Folan, Chair Grants Sub Committee**

**Bruce Gibb, Vice Grants Sub Committee**

Since last year's subcommittee report, the grants structure has again been adjusted to simplify the process and to work with a focus to attempt to make a 60%/40% split between Club grants and Personal grants.

Equipment, development and events grants are now under one banner of Club grants and are eligible for to apply for grant up to a maximum of £400 and personal development grants are applications of up to £200. This lowering of the limits will allow the money we are granted to go further across Perth and Kinross but still with the purpose of enabling athletes and clubs attain higher standards and assist them with travel expenses to participate in higher level competition.

All grants awarded are agreed by the Executive Committee of the Sport Council following the recommendation by the Grants Sub Committee. Since April 2018 the Committee has awarded £10,742 through to the last meeting on May 2<sup>nd</sup>, 2019 over a total of 48 awards,

covering a wide range of sports, ages and from all over the county. This broke down into £5,470 in personal development grants and £5,272 in Club grants. This was a split of 51% Personal to 49% Club, a 3% move towards Clubs. Of the personal Grants the split was 67%/33% female to male.

We would not be able to do this without the continued support of Perth and Kinross Council to whom we are eternally grateful as well as all the Live Active Leisure for their administrative help and assistance over the year. We will continue support our athletes and clubs in Perth and Kinross provided, we have funding in place.

I would like to thank Grants Chairperson Billy Folan and all the members of the Sports Council for their support in the past and future.
